In Pakistan- Zafar Bhatti has been in prison since July 2012, charged with blasphemous text messages. In 2017, he was sentenced to life imprisonment. He denies any involvement as the mobile phone in question which was not registered to his name. The court dates have been delayed seven times. Zafar, who is in poor health, struggles with diabetes and depression. Our prayer that Zafar will finally be freed from prison and reunited with his family. That God will touch the heart of the accusers bringing them to repentance and faith in Christ
