In Indonesia- In various areas of the world where Islam is dominant, tactics are being used by militants to stop the spread of Christianity. Islamic leaders in Indonesia have been training young men to seduce and impregnate Christian girls, often forcibly. Due to cultural pressure, and the shame that is brought on the families, the victimized girls are often forced to marry into a Muslim family, but in many cases, they remain discretely loyal to Christ. Pray for protection for these Christian girls that they may influence their own families also intercede for the perpetrators that they may see the truth of the gospel.
