## CHRISTIAN COMMUNITY & AROUND THE WORLD

~CRC Communications

- **Pray for Inspire 2019** - Inspire 2019 is a conference to connect people from across the 1000+ churches in the Christian Reformed Church for three days of worship, workshops, speakers, and conversation. As we plan and prepare for this event, happening August 1-3 in Windsor, Ont., please join us in praying for the event and all who will attend. This week, please pray for those involved in the planning - that they will be encouraged in their ongoing work and that many will be blessed through the event.

~In Belarus

- Evangelical church leaders in several countries of Central Asia face the question as to whether they should register with the local government; Pastor Vyacheslav Novakovsky of Your Will Be Done Church has attempted to register four times since 2017. We want to comply with the law and gather for religious meetings but many church communities have given up trying to register, since the process results in inevitable rejection. Some such groups meet in homes to avoid prosecution for meeting without registration. Pray government officials in Belarus will come to respect freedoms to worship for its citizens and that they may practice their faith without fear
